

INTRODUCING

# The First and Only **Athletic Shoe** with a **Marching Band Sole**

**CROSSOVER**

by **DSI**

The DSI Crossover was developed specifically for marching bands and drum corps by a world-class foot doctor who regularly works with professional athletes and top drum corps.

Designed to meet the extreme demands of high performance marching movements, the Crossover outperforms other well-known athletic footwear.

Can be used for practice or performance by colleges, high schools, drum corps, or indoor percussion.

The Crossover features the Xtreme Tendon Fit® in the midfoot which provides unmatched support and stability. It also has a one-piece rubber sole, canvas toe box, breathable mesh upper, Stabil® heel cup, and an extra athletic-style eyelet for narrow feet.
